Administradores de  
Fincas de Málaga y Melilla

## Terms of use

- ✓ **Capacity is limited to 75%**, provided that the minimum interpersonal distance of 1.5 metres between non-cohabiting users is guaranteed
- ✓ **Cleaning and disinfection of the facilities and their elements** (first aid kit, perimeter fence...) before each day, especially changing rooms and bathrooms. To do this, use 1:50 dilutions of bleach or other disinfectants authorized by the Health Department
- ✓ **Comply with the schedules established by the community**, as well as of the delimited spaces
- ✓ **Compliance with general health and safety measures**, such as hand disinfection at the entrance and exit of the pool
- ✗ **Do not go to the pool if you have any symptoms** compatible with COVID-19 or leave the pool immediately if they occur during your stay in the pool
- ✗ **Do not go to the pool if you are in quarantine** or preventive home isolation
- ✓ Placement of **signs on the ground** to delimit the special distribution and of posters with information on the COVID-19
